

Aquinas Academy

Faith in Every Student's Future

"Community is at the heart of all Catholic education, not simply as a concept to be taught, but as a reality to be lived... Your students will learn to understand and appreciate the value of community as they experience love, trust, and loyalty in your school and educational programs, and as they learn to trust all persons as brothers and sisters created by God and redeemed by Christ."

—Pope John Paul II

Why Should I Choose **Aquinas Academy** for My Child's Future?

Some facts to consider:

- **Aquinas Academy's** curriculum *meets or exceeds all state regulations and guidelines*. In addition, Diocesan guidelines require a strong religious education curriculum.
- **Aquinas Academy** faculty members are certified professionals committed to bringing out the best in their students as they grow in knowledge, skills, and values. While all of our teachers have bachelor's degrees, many have or are working towards advanced degrees as well.
- At **Aquinas Academy**, we are continually striving to improve and expand the use of technology across all areas of the curriculum. We currently have a Media Center housing 30 computers for use by all classes, in addition to having SMARTBoards and iPads being used by all teachers at every level of classroom instruction.
- Catholic School students score significantly above the national averages on standardized testing.
- Catholic Schools stress the value of self-discipline and commitment.
- Small class-sizes allow for more individualized attention for every student
- **Aquinas Academy** creates a special bond among the students, the home, the school, and the church so that we all share a strong sense of community.
- Here at **Aquinas**, every child shares in an educational environment filled with love and concern – a family joining together to help create a better world.
